These free-of-charge seminars, sponsored by **AWAM (Association for Women in Aviation Maintenance)** for the Women in Aviation, International Conference, meet the 8 hours of FAA regulation and policy requirements for **IA renewal**, the **Aviation Maintenance Technician (AMT) Awards Program** and **Wings credit**. Seminars focus on various aspects of commercial, corporate and general aviation relevant in today's world of aviation technology and flight. They reinforce the Administrator's goals to achieve the lowest possible accident rate and constantly improve expertise and safety for all Airmen.

\* **AWAM 2011 course completion certificate (1 or more hours of training) is accepted for Exhibit Hall entrance that day.**
